BERHAVE'S

DYSPEPSIA, Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture.

But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS, and the entire absence of after prostration, has established for it a reputation which the host of imitations and counterfeits have failed to undermine. It is positively a vegetable preparation, with barely sufficient pure spirits to preserve it.

But one size of the genuine, (Half-Pint Bottles,) price ONE DOLLAR.

It is a medicine of long-tried efficacy for Purifying the Blood, so essential for the foundation of good health and for correcting disorders of the stomach and bowels. and bowels.

Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result. For INDIGESTION, Try

Berhave's Holland Bitters. FOR HEARTBURN, Try Berhave's Holland Bitters. For ACIDITY, Try Berhave's Holland Bitters. For WATERBRASH, Try

In all Nervous, Rheumatic, and Neuralgic Affec-tions, it has in numerous instances proved highly beneficial, and in others effected a decided cure. Read Carefully! The genuine, highly-concentrated BURHAVE'S HOL-LAND BITTERS is put up in half-pint bottles only, and retailed at One Dollar per bottle. The great demand for this truly celebrated medicine has induced many imitations, which the public should guard against purchasing.

HE AMALGAMATION OF LANGUAGES .-There is a growing tendency in this age to appropriate the most expressive words of other languages, and after a while to in-corporate them into our own; thus the word Cephalic, which is from the Greek, signify ing "for the head," is now becoming popularized in connection with Mr. Spalding's great Headache remedy, but it will soon be used in a more general way, and the word Cephalic will become as common as Electrotype and many others. companion of many of the most fatal and dangerous diseases, and unless early erad icated it will bring the sufferer to an untimely grave. Among the lighter evils of which costiveness is the usual attendant are Headache, Colic, Rheumatism, Foul Breath, Piles and others of like nature, while a long train of frightful diseases such as Malignant Fevers, Abcesses, Dys-entry, Diarrhoea, Dyspepsia, Apoplexy, Epilepsy, Paralysis, Hysteria, Hypochon-driasis, Melancholy and Insanity, first indicate their presence in the system by this alarming symptom. Not unfrequently the diseases named originate in Constipation, but take on an independent existence unless the cause is eradicated in an early stage. From all these considerations it follows that the disorder should receive immediate attention whenever it occurs, and no person should neglect to get a box of Cephalic Pills on the first appearance of
